## Virus News 39 – Wednesday 9<sup>th</sup> December 2020

We hope you're all keeping well and safe. Here are the **current** Welsh Government regulations:

*A bubble can be formed from two households. A household (or a bubble) of any size can eat and drink out together in a pub or restaurant, but only four people can socialise together if they are from different households and each different household must be socially-distanced, 2m from each other, whilst socialising. Only household bubbles can meet in a garden.*

*15 people can meet indoors, 30 people outdoors, but only for organised, Covid-safe activities.*

*There are no travel restrictions within Wales but travel to England is only allowed to places in tiers 1 and 2.*

*Everyone is advised to do what they should do to reduce the virus spread, not what they want to do.*

We need to continue to be careful so, **if you need help with shopping or medication collection** or just a chat, please don't hesitate to contact us by return of this email on [info@llandaff50plus.com](mailto:info@llandaff50plus.com) or leave a message on 0775 8939 141 and we'll return your call.

**High Street+ News:** A trip to Garlands today showed the vast array of beautiful gifts available in such a tiny shop: bags, jewellery, candles, scarves, ornaments, decorations, cuddly toys, and china. And that's as well as the lovely flowers and plants on display outside. Please support this great shop and buy some unusual presents for family and friends.

Paul has asked us to tell you all about the lovely artwork for sale in the Off The Wall Gallery, at the Old Probate Registry on Cardiff Road (opposite St. Michael's College – St. Padarn's). Why not treat yourself to some nice artwork for Christmas. It's closed on Sundays and Mondays, but you'll be sure of a warm welcome every other day.

**Llandaff Lavender:** Bev has made some lavender bags with local lavender. They're just £1, so please let us know if you'd like one.

**Scam News:** Cardiff Council is warning of a text scam, claiming to be from the Council, asking you to complete an online form for self-isolation payments. The text is not genuine, so please do not act on it.

This week's picture from the Llandaff Society archive is a special treat for you. It shows Vokes Row in the 1930s. The row of cottages is off Bridge Street and adjacent to Pen Pentre. They no longer exist and this is thought to be the only image of them.

Keep safe, keep smiling, keep treating yourself, and keep your distance,

Your Llandaff 50+ committee.
